A Brush with Kindness

Habitat for Humanity of Greater Los Angeles is a 501(C)(3). Our EIN # is 33-0416470.

Have you ever had A Brush with Kindness?

In order to better serve our community, Habitat for Humanity of Greater Los Angeles is extending our partnership to low income homeowners in need of exterior home repair.

A Brush with Kindness seeks to help low-income families restore their homes so they can continue to live in a safe, decent and affordable home while bringing volunteers together to live out their values by helping a homeowner in need.

Examples of possible projects include painting, landscaping and minor repairs that increase the safety of the home and revive its appearance. A Brush with Kindness preserves housing stock in the Greater Los Angeles area.

Volunteer teams are matched with homeowners based on the size and difficulty of the project and the experience and size of volunteer team.

A Brush with Kindness relies on churches, businesses, civic groups and community organizations that contribute financial, volunteer and material resources to effectively serve homeowners in need.

Homeowners are eligible to participate in the program based on several factors such as the condition of the home, the income of the homeowners and a demonstration of challenging circumstances such as disability, illness or age that prevent them from doing the work themselves.

The services will be free of charge to qualified homeowners.
